

## Cinema Reference | CR SURROUND 2

Cinema Reference products were designed for home cinema & music systems that demand very high SPLs and audiophile sound quality. The Surround 2 has a new and unique Unipole design that achieves even hemispherical power response that dipoles & bipoles strive for. It's also timbre matched with the CR LCR 2s to create smooth transitions, soundstaging, and envelopment.

The Surround 2s are also suitable for use with or without subs in music listening rooms with broad listening areas. Relatively modest in size, CR Surrounds can hide behind 9-1/2 inch deep stretched-fabric walls. The CR Surround 2 can be wall mounted with up to 12 degrees of toe-in, and 10 degrees. Finishes include flat black, gloss, real wood veneers and custom colors.

Category: Home Cinema

Tag: OnWall

### Features

- Very high SPLs and audiophile sound.
- Designed for large rooms.
- Unipole design
- Designed to fit behind acoustically transparent film screens.
- Wall mount.

### Enclosure

- Acoustic Suspension.
- Fully engineered, Premium MDF enclosure.
- Triad AcoustiPerf metal grill.

### Finishes

Triad's Basic, Real Wood Veneer & Custom Finishes are available for this product. The standard finish for this product is Black paint. For any other colors, please refer to Triad's Custom Match Finish program for this product. The paint we use is a top quality enamel and is applied with a light pebble finish. The veneer finishes are made from real wood and coated with an enamel clear coat.

Since all computer monitors and their colors vary, the digital color you see here will be different from the actual product finish.

### Performance Specifications

#### Recommended Amp Power

100 - 400 watts

#### Impedance

4 ohms

#### Sensitivity (db 1watt/1meter)

94

#### Anechoic Frequency Response

80 Hz - 20 kHz

#### Tweeter Size

(2) 1" /25mm

#### Mid-Range Type

Paper/fiber blend

#### Mid-Range Size
