

## IR SILVER MINIMONITOR

Triad offers superb performance in a very compact package with the InRoom Silver MiniMonitor. This premium full range speaker is perfect for incorporating exquisite sound into smaller venues, and can be used in a bookcase, on a shelf, on a stand, or with Triad's elegant Pedestals.

In larger rooms, Silver MiniMonitors may be used with a Triad Sub for truly magnificent home theater without being physically imposing. To further blend in, Triad offers a full array of paint and veneer finishes, including custom matching. In addition to the InRoom version, Triad offers a small-footprint InWall Silver/4 MiniMonitor, and a unique InCeiling Silver/6 version to address almost every possible custom application.

Tag: InRoom

### Features

Compact Design.  
Acoustic cloth grill.

### Enclosure

Fully engineered, Premium MDF enclosure.  
Acoustic Suspension.  
2-way design.

### Finishes

Triad's Basic, Real Wood Veneer & Custom Finishes are available for this product. The standard finish for this product is Black paint. For any other colors, please refer to Triad's Custom Match Finish program for this product. The paint we use is a top quality enamel and is applied with a light pebble finish. The veneer finishes are made from real wood and coated with an enamel clear coat.

Since all computer monitors and their colors vary, the digital color you see here will be different from the actual product finish.
